NOTICE OF CONFIRMATION (NOC)

"I certify under penalty of law that to the best of my knowledge and belief, all documents and information submitted to the El Dorado Agricultural Water Management Corporation are, true, accurate, and complete and were/will be prepared by me or under my direction or supervision. I am aware that there are significant penalties for knowingly submitting false information.

I am aware that, in addition to payment of annual dues, continued membership requires the completion of various forms related to my agricultural operation, including, but not limited to, a Farm Evaluation to be returned to the coalition, a Nitrogen Management Plan to be maintained on site and possibly a Sediment and Erosion Control Plan.

I am maintaining either a printed or electronic copy of Order No. R5-2014-0030 at my primary place of business or headquarters for this farming operation so as to be available at all times to operations personnel. I am familiar with the content of this Order and will comply with the Order."
